Theatergoers in the Northeast and beyond will make a pilgrimage to Union City for what has become an annual tradition for many to see the story of Jesus Christ's last days on earth. Billed as "a musical for family entertainment," Union City's play is a modernized version of the Passion Play performed in Oberammergau, Germany since 1634. It's the longest running Passion Play in the United States.

We offer a Spirit Of New Jersey cruise package which includes two leisurely hours of cruising past New York's spectacular skyline. The cruise also includes an all-you-can-eat buffet, narration describing the highlights of the harbor and star quality entertainers performing a Sentimental Journey of popular hits.
